NF* : Number of teams participating, including nations not entitled to points

NF** : Number of teams entitled to points

Points are distributed according to each team's classification in the Longines FEI Jumping Nations Cup™ competition according to the following scale:

1st	2nd	3rd	4th	5th	6th	7th	8th
100	90	80	70	60	55	50	45

In case of a tie for any place on the overall Division 1 classification at the end of the season, teams are separated by:

• giving preference to the team with the greater number of first place classifications; in case there is still a tie the number of second place classifications will count and if necessary the number of third place classifications and so on until the tie is broken.

If after applying this method there is still a tie for any place at the conclusion of the last event of the season, preference will be given to:

• the team with the greater number of clear rounds among the scores counting (i.e. maximum 3 scores per round per team) from each competition throughout the season; if there is still a tie the scores counting (i.e. maximum 3 scores per round per team) for each team from each competition will be added together and preference will be given to the team with the lowest overall score.

Seven Division 1 teams will qualify for the 2019 Longines FEI Jumping Nations Cup™ Final (CSIO5* Barcelona/ESP, 3-6 October 2019).
